- A. Letter of Concern: Roger Fuss read his letter of 30<sup>th</sup> November, 2008 to the meeting. A copy is attached to these minutes. Roger then spoke to the letter and advised he has checked on the Murray River comments as well. He has been advised that certain parts of the river are within National Park boundaries, but there does not appear to any area on the river where wakeboarding is banned whilst water skiing is still allowed. Also, the Murray River is apparently much more dangerous to operate on than is our dam, due to its narrowness. He felt otherwise that the details in his letter spoke for themselves. Discussion ensued as predicated in the last minutes and the meeting noted the topic had now been discussed.
- B. Signage: Roger Fuss reported the new signs are now made and he will affix the gate one when next out at the dam. Other sign to be erected during the next working bee. A motorized post hole digger will be greatly appreciated if anyone has one.
- C. Christmas Party: The meeting was reminded that Sunset Superbowl has been booked for 20<sup>th</sup> December, as previously minuted. **DEADLINE FOR RSVP'S: Friday 12<sup>th</sup> December, 2008.** Email to the club address will be preferable means: [info@perseveranceaquaticclub.com.au](mailto:info@perseveranceaquaticclub.com.au).
