- General Business:
- A. Chris Vonhoff reported that the Christmas party had been a success. Approximately 20 to 25 people attended the Downs club after a last-minute change of venue when it was revealed our booking at Sunset Super Bowl had not been recorded. The children enjoyed playing pool on the full-size table, the food was excellent and the atmosphere was very convivial.
 - B Working bee is scheduled for this Sunday, 13 December 2009. This will involve a continuation of the sapling removal would be down at the last working bee, clearing a wider access track down to the pickup drop-off area and so forth.
 - C. Roger Fuss suggests that now is a good time, with the dam water level being so low, that floats be placed where obstacles are near underwater.
 - D. Richard McGorm raised the issue of sealing the car park and that the cost of it could be as much as \$100,000, which the club has not have. Things have changed considerably since the lease was renewed and this commitment given by the club. Richard offered to talk to the relevant person at the Sports and Recreation office of the Toowoomba Regional Council to seek assistance with respect to putting a submission to counsel for it to perhaps there some of the cost will reconsider the requirement.
 - E. One member has had a problem with his gate key, opening the gate and the toilets but not the lock on the chain over the access track. Membership Officer gave him a replacement and will request further keys to be cut.
 - F. It was pleasing to note the better attendance at this meeting compared to previous meetings.
 - G. Next meeting IS on Monday, 4 January 2010 at the same location.

Meeting closed 8.18pm
