General Discussion:	

Memorial day for Deceased Life Members: Roger reported he had spoken to Vicki Rowbotham and Glynis Druce and was arranging a suitable date for them to come out to an unveiling at the dam.

Working Bee: Craig Clancy and Malcolm Keys were the only ones to turn up. Slalom course appears to have been destroyed and dragged out. The President remarked that if this had been reported, something could have been done to fix it at the working bee. Next Working bee is on **20th June, 2010 at 9.00am**. Roger is now preparing a list of members and equipment needs for future working bees. Also a skills register would assist so we know who can help with what with the various projects and an equipment register so we know who has what sort of equipment which could help with the projects. Saplings still need to be cut. Roger asked the members at the meeting for them to advise him of the above details.

Hard Copy Minutes: These were posted out again last month.

Renewals: Russell Gierke reminded the meeting that renewal forms need to be sent this month so we can have AGM in August instead of September.

Athletics Masters: Robin McDonald mentioned to the meeting that anyone wishing to participate in Masters Athletics should contact him on (46303363).

Christmas Function: The secretary called for suggestions from the floor about what we might do for a Christmas Club this year. Ten pin bowling and lawn bowling were both raised as possibilities. Members are to bring any suggestions to the next meeting.

Meeting closed at 8.11pm

Next Meeting 5th July, 2010.
